

What people said about Ellen G. White

“Her death marks the calling of another noted leader in religious thought and who’s almost ninety years were full to overflowing with good deeds, kind words, and earnest prayers for all man-kind.”

St. Helens California Star Magazine, July 23,1915

“Here is a notable record and she deserved great honor. She showed no spiritual pride and she sought no filthy lucre. She lived the life and did the work of a worthy prophetess.”

New York City Independent 1915

“Women have been honored on American postage stamps for more than 100 years; starting with one woman who was not an American, Queen Isabella in 1893. since then, 86 women have been honored ranging from Martha Washington to Marilyn Monroe; Also many women authors like Louisa May Allcott, Emily Dickenson,... But I can name an American woman author who has never been honored thus, though her writings have been translated into 148 languages. More than Marx or Tolstoy, more than Agatha Christie, More than William Shakespeare. Only now is the world coming to appreciate her recommended prescriptions for optimum spiritual and physical health: Ellen White. “Ellen white! You don’t know her? Get to know her.”

Paul Harvey Broadcast, September 25, 1997

“I greatly appreciate you sharing Ellen G. White’s material with me. I have all of her books. They are excellent! If she were alive today, she and I would no doubt share a kindred spirit.”

Sincerely, James C. Dobson, Ph.D., USC School of Medicine
