

THE GODHEAD

All over the world people have different concepts of who God is. Let us see what the Bible has to say about the Godhead. The word "Godhead" is found in Acts. 17:29, Romans 1:20, Colossians 2:9. It is interesting to note that the word "Trinity" cannot be found in the Bible. It was a word coined by theologians to describe the Godhead.

1. How is God represented in the Bible?

Bible Text – 1 John 5:7; John 10:30

2. Where were the three of them present together at the same time?

Bible Text – Matt 3:16-17

3. Why three? Why not two, or four? In order to understand this we first have to understand the nature of God. At the very essence, when we describe God, what is He? God is...?

Bible Text – 1 John 4:8; Matthew 18:15-16

4. Three are one. How? Are they three or are they one? How is it illustrated?

Bible text – Genesis 2:24

5. How is Adam and Eve one? Physically? Are they still two literal people or one?

6. How can we be one with the Father today?

Bible Text – Philippians 2:2, 5

7. How can we have the same mind as Jesus?

Bible Text – 2 Cor. 3:18; John 5:39

The Father, the Son and the Holy Spirit were one with each other. One in love, one in mind and one in purpose. We can have that unity today if we have the mind of Christ in us today. Are you willing to spend time daily in the Bible that your mind can become more like Jesus' mind so that you can experience that unity in your life and home today?
